## Chapter 1: We All Relate

---

Life is all about relationships, everything relates to everything. We all relate to someone, somebody relates to someone, somebody is related to somebody, someone is related to us, someone relates to you. Something relates to something, we relate to the universe the universe relates to us.

Nations relate to Nations, Governments relate to Governments, Kingdoms relate to kingdoms and the Heavens relate to the earth.

Also if you are not aware of this; that before anything happens in the physical realm it happens in the spiritual realm first. That means the spiritual realm relates to the physical realm. The spiritual controls the physical. (Think about it).

Friends the reality is that life is about relationships and the earlier we realise this the better.

We relate or are related to; on a daily basis we relate to something, someone or we are been related to by something or someone.

The human body in other to function effectively was designed to connect to different organs. All of the human body system have their own role to play in order for the body to function properly, to do this they are connected and relate to each other so as to enable the proper functioning of the whole body.

This clearly shows our need to be connected. We need to connect, we need to relate in order to function properly.

The simple truth is that life is all about relationships and the earlier this is understood the better we become at living a fulfilling life.

## Chapter 2: What Is Relationship

Relationship! What is Relationship? When we say life is all about relationships, what do we mean by that?

Firstly let us have a clear understanding of what relationship means. The dictionary defines relationship as the way in which two or more concepts, objects or people are connected, or the state of being connected.

The Oxford dictionary defines relationship as the way in which two or more people or group regard and behave towards each other.

The Macmillan dictionary defines relationship as the way two or more people or groups behave towards and are involved with each other.

These definitions help us understand clearly what relationship really means.

Now that we have a clear understanding of what relationship means, we need to also know that relationship can be either good or bad.

So the question is what kind of relationship are you in, is it good or bad or you do not even know the type of relationship you are in.

Friends the reality is that a lot of people do not even know they are in a relationship (something to ponder).

The reality is that human beings crave connection with each other and the simple truth is that whether you are aware or not you are in a relationship, something or someone is connected to you and you are connected to something or someone.

We need to know what or who we are connected to, what or who is influencing you, what or who has an influence over your life.

Are you working under undue influence, do you feel manipulated and confused, do you desire a better relationship?

If you are tired of been used, abused and neglected

If you are tired of been taken advantage off

If you are tired of been ignored

If you are tired of been side-tracked

If you are tired of been marginalized

If you are tired of been rejected

If you are tired of been castigated

If you are tired of been insufficient

If you are tired of been barren

If you are tired of been helpless

If you are tired of been tired

Then I encourage you to read on, this book is for you. It is time for you to discover a relationship that guarantees you good results, a relationship that will determine all your other relationships.

A relationship that is fruitful and fulfilling. A relationship that will enable you to get and achieve all you need.

Friends the truth is you owe it to yourself to be truthful to yourself. You can lie to others but you cannot lie to yourself. You know what you know and you know what you don't know.

Don't you think it is time you engage in a relationship that will determine all other relationships and guarantee you good results.

At this point you are wondering, what is this relationship? How do I know this relationship? How do I engage in this relationship? What is this relationship with? Who is this relationship with?

## Chapter 3: Your First Relationship

Friends this relationship is with God Almighty and it's the first and most important relationship you should knowingly develop.

Let me introduce you to God Almighty. God created the heaven and earth and the earth was without form, and void; and darkness was upon the face of the deep, and the spirit of God moved upon the face of the waters and God said, Let there be light: and there was light. God is The CREATOR.

So your first and most important relationship is with your Creator God Almighty. Don't you think so?

This is very simple and straightforward, you need to have a relationship with your creator

in order to live a fruitful life, a life full of good results.

God created us to have a relationship with him but because of our stubbornness, rebellion and disobedience we broke that relationship with God. Our sins separated us from God Almighty. The bible in Romans 3: 23 says- For all have sinned, and come short of the glory of God.

May I ask at this point friend, do you know God Almighty? Do you only know of him and do not have a relationship with him. Perhaps you have been thinking about forming a relationship with God Almighty but do not know how.

Perhaps things haven't been going the way you want them to go for you and you know

there is a God, but you do not know how to access him.

Perhaps my friend you have had several relationships with other gods but you have not yet had a relationship with God Almighty, the Creator of heaven and earth the Lord of Lords, the King of Kings, the one who said let there be light and there was light, the one who commanded and it was created, Jehovah, the one who was, is and forever, the Alpha and the Omega the most high God, the I AM that I AM, Elohim.

The one who can be whatever you want him to be, he can be your provider, your healer, your protector, your deliverer, the Almighty.

Do not be dismayed, for today is going to be the start of a fruitful relationship. If you will

not harden your heart and decide to know God and build a relationship with him.

How? I hear you ask, how do I know him?  
How do I form a relationship? How do I start?  
I am eager to know, how I can connect to God Almighty.

Good question- Lets find out how to connect.

## Chapter 4: Let Us Connect

---

There is a desire in us all to want to connect or be connected. We all crave connection with each other.

In order to connect to God the first step you must take is to accept Jesus Christ as your lord and personal saviour.

In the bible John 14:6 says- Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the father, but by me.

No one connects to Father God Almighty but through Jesus Christ. You want to have a relationship with God the Creator of all things – Give your life to Christ, accept him as your lord and personal saviour.

In the bible Romans 10:9-10 says- That if thou shalt confess with thy mouth the Lord

Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

At this point you have the opportunity to connect to God right now by accepting Jesus Christ as your Lord and personal saviour.

If you are ready to give your life to Christ say this simple prayer **NOW-**

Dear God Almighty please have mercy on me, forgive me of all my sins in my thoughts, deeds and actions. I believe that Jesus Christ shed his blood on the cross of Calvary and died for my sins. I believe that God Almighty raised Jesus Christ from the dead. I accept you Lord Jesus Christ as my Lord and personal

saviour come into my life and direct me from henceforth. Thank you God Almighty in Jesus Christ Name -Amen.

Friend if you have said this prayer sincerely I congratulate you for accepting Jesus Christ as your Lord and personal saviour, your life will never remain the same again,

Good results will begin to manifest in your life because of Jesus Christ, you are now born again, a new person in Christ.

Let us see what the bible says in 2 Corinthians 5:17- Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

You have completed the first and most important step to building your relationship with the creator God Almighty. You have just connected to God Almighty- well done.

Now that you have given your life to Jesus Christ and have connected to God Almighty you need to start building your relationship and start experiencing good results.

Friend you deserve to live a life full of good things, good health, good wealth, good home, good marriage, good job, good business, good career, good friends, good family, good children, good spouse, good education, good business a good, good, good life.

A life full of goodness the bible says goodness and mercy shall follow me all the days of my life and I will dwell in the house of the Lord forever –Amen.

Romans 8:28 says- And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

As you have connected to God Almighty my dear friend, start enjoying the good things you deserve, let everything begin to work together for your good in the name of Jesus Christ.

## Chapter 5: Getting the Good Results

Now you ask, how will I get good results from having a relationship with God Almighty? This is a legitimate question.

The first thing you need to do following on from connecting to God through Jesus Christ is to get a bible and start reading your bible. If you do not own a bible you need to get one, if you cannot afford to buy a bible and you have access to the internet you can request a bible free of charge from [www.tiwpc.com](http://www.tiwpc.com) and a bible will be sent to you.

The next thing you need to do is start talking with God through prayer.

Prayer simply put is communication with God Almighty. Prayer is conversation with God Almighty, Praising Elohim, telling Jehovah

God about all your needs and thanking Elohim for meeting your needs and the needs of others.

Prayer is talking with God Almighty sincerely and listening to what he says.

At this point, just a little encouragement, say this prayer – Father God Almighty help me to hear you clearly in Jesus Christ name - Amen

You should also prayerfully ask God Almighty to direct you to a place of worship where the word of God Almighty is preached undiluted and where your faith will not be compromised.

You need to pray daily, set time aside to pray, worship and praise God Almighty.

Then you can be sure that as you talk with God Almighty and begin to listen to him, you

can ask for all you need and he will supply all your needs.

The bible says in Philippians 4:19- But my God shall supply all your needs according to his riches in glory by Christ Jesus.

Friend now that you know Christ and are determined to grow your relationship with God Almighty, you can be rest assured that God will meet all your needs.

He will surpass your expectations because you have made up your mind to build a relationship with the Creator, the one who give good things. You have decided to have faith in God Almighty.

You see God created the heaven and earth and all that is in it, he commanded and it was created, he said light be and there was light. God is the all-powerful, he can do all things he is the source of power.

You need to also know that God the Creator is not in the business of disappointing. Once you are in a relationship with God Almighty, rest assured you can never be disappointed.

In the bible Matthew 21:22 says- And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.

As you begin to communicate with him daily through prayers he will meet all your needs and you will begin to get good results.

All you need to do is make your request known to him. The Creator is the source of all power and as you have connected to him you begin to enjoy the benefits of his creative power.

The power of God is his ability and strength which he uses to bring to pass whatsoever he pleases. The bible in Psalms 62:11 says- God

hath spoken once; twice have I heard this: that power belongeth to God.

The simple truth is that getting good results comes from connecting to God, tapping into the power of God. When you are in a relationship with God Almighty, the Creator, the all Powerful you are assured of good results- it is as simple as that my dear friend.

## Chapter 6: Respect the Relationship

Now that you know Christ and are connected to God Almighty, you need to respect this relationship, I mean you cannot take the relationship for granted, you cannot abuse the relationship. 2 Corinthians 5: 17 says – Therefore if any man be in Christ, he is a new creature: old things are passed away; behold all things are become new.

Continue to live a life of obedience to God, cultivate a habit of talking with God daily, pray always pray out loud, pray quietly pray whilst standing, pray whilst sitting, pray whilst cooking, pray whilst driving, just pray. Remember there is no position in life you may be that you are not always tempted by the enemy, therefore pray without ceasing.

In prayer we show our total dependence on God Almighty who created heaven and earth, the sea and all things. God who created us and by whom all things continue to exist.

Therefore friend you need to respect and value your relationship with God. You should know that there is nothing hidden before him and live every day of your life with the knowledge that God sees all things.

Be truthful in your relationship with God. In the bible John 4:23-24 says- But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. God is Spirit: and they that worship him must worship him in spirit and in truth.

When you make a mistake, be honest, tell God because he already knows. Confess your

sin, ask for his help, ask for forgiveness and God will forgive you. Ask God to help you not to fall into sin again. Ask him to subdue your flesh and fill you with his Holy Spirit.

Daily you should ask God Almighty to guide and direct your actions.

## Chapter 7: Prayer Points

---

At this point friend let me encourage you to pray. In the bible 1 Thessalonians 5:17 says- Pray without ceasing.

Because you have decided to know and build a relationship with God Almighty, the Creator, the all Powerful who can do all things. When you pray the following prayers, just have faith and believe that God Almighty will answer your prayers and meet all your needs.

You see my friend, when you boil cold water, you believe that it will reach boiling temperature, it will get hot. So with that same believe, when you pray to God Almighty believe he will hear you and answer you.

The word of God says in Matthew 21:22-And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.

And in Mark 11:24 - Therefore I say unto you, what things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

No matter how long the situation has been there, no matter how long you have been challenged, no matter what you are going through, no matter what you have been expecting, no matter the delays and disappointments you have experienced. No matter the frustration and pain you are experiencing, no matter the setbacks.

Let me encourage you here, do not lose hope God Almighty is a God of the suddenly, He will show up in your situation. Know that

every set back will become a setup for you to start experiencing victory in all your situation in the name of Jesus Christ- Amen.

Remember the word of God says in Romans 8:28- And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

God is no respecter of persons, whatever he says he will do, he will do so pray now and see all things begin to work together for you good.
